

Winner of the month. November 2007 - Acrostic.

THE WINNER:

Kateřina Dvořáková, Gymnázium Trhové Sviny

Nothing is impossible!

Never give up!

Odd sentence... or no?

Today I said to myself...

Hey... let's write an acrostic

Impossible thing for me?

Never quite talented for poetry? but...

Giving everything into this...

Instantly trying to think

Simple, difficult, long or short?

I don't know...

Maybe writing about nature? (would it be nice?)

Possibly about a beautiful sculpture? (from the ice?)

Or should I just scribble...

Something without sense?

See?

I'm almost ready...

Before finishing

Let's just say

Even though you are not a poet, you can do this!
